Get the Job You Want

Job Central

13 Week PAID Program for Youth

Job Central is an interactive and participatory, group based employability skills and work experience program comprised of three-weeks of full-time, paid skills development seminars and a ten-week paid work placement for out of school, out of work youth aged 15-30.

Participants will learn to:

- Be a positive and proactive team member
- Set realistic and achievable goals
- Think, problem solve and resolve conflicts
- Manage information, time and money
- Work safely and effectively
- Find and retain employment

Job Central helps youth:

- Develop marketable skills
- Build a cover letter and resume that works
- Interview with confidence
- Understand labour market trends
- Access hidden job opportunities
- Build an employment network
- Obtain valuable paid work experience

FREE expert advice and follow up support from skilled employment professionals, Internet and computer access, voicemail, faxing, TTC, and more

NEXT GROUP STARTS:

November 12th, 2012
